

About LiL

Research shows that children's experiences in the earliest years of their life are crucial to their ongoing development. Studies show that 75% of a child's brain develops during the first five years of their life.

We are very excited to be including special visitors to our classroom as well as some excursions in our Launching into Learning program this year.

You are welcome to come to either session, alternating each week depending on your needs. You can find the term program on Schoolzine or our school facebook page.

Some Tips for LiL

- Adults are responsible for the children they bring along.
- As many of our activities are messy please make sure your child is wearing suitable clothing.
- Everyone helps tidy up at Tidy Up Time.
- We have outside play time all year; please pack hats in the summer months and coats in the cooler months.
- All families are welcome valued and respected
- The programs belong to everyone.
- Old clothes required – because we'll be getting dirty

Mat Time: Story, Music & Games

(Developing listening skills, beat, rhythm, pitch, temp dynamics, style, echo singing and movement.) The children gain the most from these times when sitting near their parent. Please actively support your child by being a good listener, actively involved and having lots of fun.

'TIDY UP TIME' SONG

2.25-2.40PM

SONGS & STORIES

2.00-2.45PM

BUBBLES OUTSIDE

Mat Time in LiL

Launching into Learning is about families and children working together to give your child the very best start in life.

In LiL the parent /carer is the teacher and the teacher is the facilitator of the program.

In "Mat Time" please sit with your child to support your child with listening, participating and concentrating as this is often difficult for children under 4, particularly in a large group.

We suggest the arm chair approach with the parent sitting behind the child.

Launching into Learning (LiL) Enrolment

We are offering LiL to our “in area” families or children that already have siblings at the school, as our numbers have increased and we have limited spaces/resources available.

All enrolments need to provide proof of residence as per our enrolment policy which can be found on our website

<https://education.tas.edu.au/montagubayprimary/>

LiL Enrolment forms must be filled out and proof of residence provided to the office before starting the LiL program.

If you are not in our school's catchment area please attend the programs at your local school.
